This isn't something you come across everyday! A promotional Lesiure Suit Larry press kit. I don't know much about this kit, besides who I got it from! It is one of the coolest/funny press kits I have ever seen in my life. The person I got it from says it was handed out to game stores before the release of the game, but I have never seen one in a store. So the actual history of this bad boy is a mystery to me. The press kit includes

- A promotional DVD with clips of the games
- A 'used' condom with wrapper
- A 'puked' on T-Shirt
- A 'peed' in beer bottle
- A letter with some history of the game

I doubt for health reasons that the stuff is actually puked on, peed in, or finished in BUT man if there not they got pretty close to getting the smell right! I have kept one of these in there own bags because they stink! The top of the beer bottle is sealed, so that is a faint smell. I have opened the condom and tasted that and..... they got the taste pretty good to.

I doubt (because of laws) this stuff is really used but it is funny. I don't know if this was really handed to stores or what. It seems very professionally done not to be though.

I ship worldwide, shipping will be \$10 bucks flat in the US. I accept paypal, check, and money order. Enjoy! Feel free to e-mail me with any questions, and thank you for looking.
