Description [\(revised\)](#)

Does the idea of staring into the Eternal Void make you want to lock yourself in your bedroom and wear Kleenex boxes on your feet to keep away germs? This is the product you've been looking for: a genuine Extra Life. Simply administer orally following death, and, Voila! A brand new shot to see the world's marvels and dance gleefully through the miracle called Human Life. Or, play Punch Out. Either way.

The Extra Life has additional benefits. Remember that snotty girl who told you to "get a life" when you asked her to go to the LAN party in your friend's mom's basement? Well, here's an opportunity to make Little Miss Has-a-Life look like a perfect idiot. Not only does your participation in this auction proof your vital autonomic systems are functioning, so you are literally "alive", but you will now have an *extra* life! In your face, Britney!

The winning bidder may choose between three attractive designs: the classic "1up" style, the Green Mushroom and the very popular "Small, Rectangular Man".
