Description

Now's the chance you've been waiting for! Founded in 1995, eBay has become one of the leaders in the booming person-to-person merchandise sales market by blending auctions with classified ads online. But eBay faces intense competition as e-commerce companies realize the potential of the person-to-person sales market. Ebay is ranked 730 on the Forbes 2000 list of big businesses for 2004, and is publicly traded on the NASDAQ under "ebay".

Winning bidder will receive:

-Domain name www.ebay.com and all affiliates (including Half.com, and Rent.com)

-An established user base of over 1 million users

-Semi-professional staff of over 4000 employees

This is a great opportunity for anyone wanting to start their own established business. Last quarter, Ebay's revenue topped Million dollars US! What will next quarter bring? That's up to YOU!
