Description

When my husband started collecting video games it was cute, but soon they took over the entire house! I decided to take a "when in Rome" approach so that they look more natural in the home environment. Nintendo's Mario is a plumber, so he is the perfect representation of a video game bathroom! Now you can own a custom made Mario toilet seat cover, Bowser plunger cover, and Mario cart soapdish. The toilet seat cover features a smiling Mario on the top, but when you open the lid to go to the bathroom he is surprised! Oh cover your eyes Mario! Who wants to look at an icky plain plunger?! Not me! Bowser has wiggly eyes, a studded bracelet handle, and faux fur muzzle. Now unstopping clogs is cute and fun! Finally you also receive a Mario Bros. cart soap dish. You can see how the raised beads will keep your soap from getting mushy! I have another soap dish made from a "Stadium Events" cart that I found in closet but when I showed it to my husband he cried. I guess the color scheme on that one was bad, but this one is very nice! The red and white of Mario's outfit goes nicely with the blue bricks. This is a patriotic soap dish! Thank you for looking! Buyer pays \$5 for shipping, paypal and money order accepted.
