## Description

This auction is for a box of loose crappy 2600 carts. Combat, Night Driver, Pac-Man, Asteroids, and a few more worthless carts have been tossed into a box, ready for a new home. Labels vary from "eh" to "blargh." Consider this auction to be a mystery grab bag. Fun for all! Oh, and by the way, for those of you thinking that I may have accidentally slipped a rarity ten cart in there, you'd be a fool. Use them as doorstops, crack walnuts with them, practice your skeet shooting skills with them, or see if you can pass them off to some unsuspecting "Antiques Road Show" fan for \$100 a piece. It's all up to you! Winner to add \$4 for Priority Mail shipping. (Foreign bidders may have to pay more.) I will combine shipping, so please view my other auctions. Payment is by Paypal or money order only. Thanks for looking, and if you have any questions please don't hesitate to ask.

NOTE: The carts below are NOT what you will receive. You will receive CRAP, CRAP, CRAP. I just included the pic because it's pretty.
