THE 3DO™ INTERACTIVE SAMPLER CD #2

BACK BY popular demand, here is the second volume of the hottest sampler around. Check out ten different 3DO experiences including adventure, strategy, sports, instruction, driving simulation, cartoons, reference, and combat. Take our advice and start fresh in the morning to solve the secret of *Gridders*. Take revenge on parking tickets and commuter traffic while ripping through *Road Rash*. Or darken the room, light a candle, and take a late night walk *Alone in the Dark*.

The 3DO Interactive Multiplayer system saves games, high scores, title data files, and Audio CD programs in its built-in storage area. Over time, this area can become full. Use the 3DO Storage Manager to clean up your storage memory from time to time.

Gridders™ by Tetragon, Inc.

The goal of the game is to progress down through the levels by finding green pyramid "keys" necessary to exit each level. After collecting the proper number of keys, you can exit the level by walking into the grid square marked with the large diamond shape. You must avoid large "Killer" Gridders because they will crush you. The brown bone summons Fidex™, your half-canine half-robot companion and helper.
