

# I GET IT STRAIGHT FROM THE PROS!

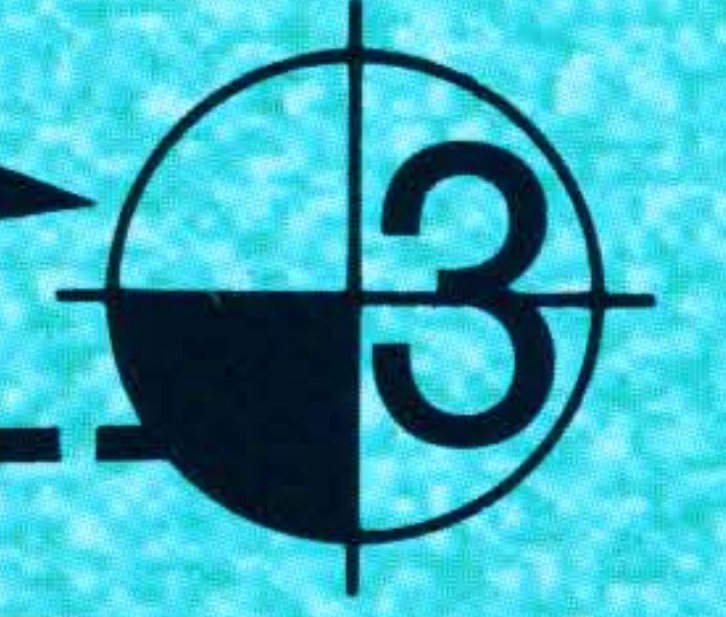

1 Every issue of Nintendo Power and each Strategy Guide comes to you packed with tips to help you master your game — just like this one from Blaster Master.™

PAUSE

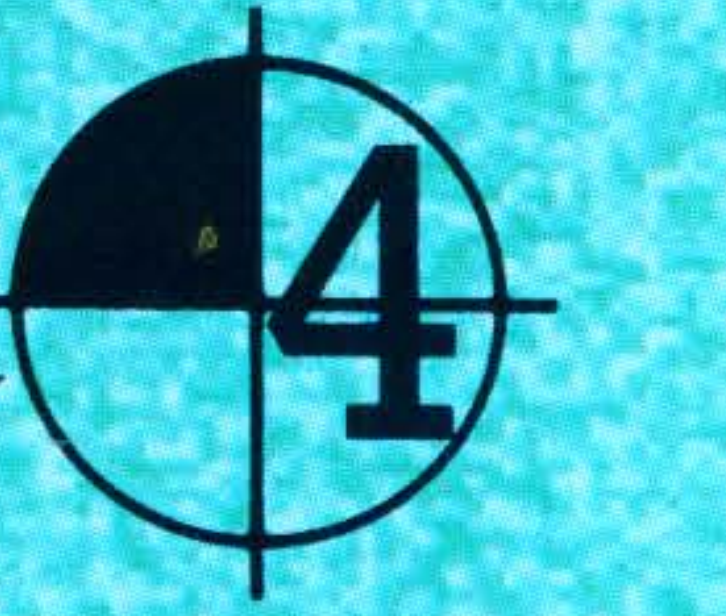

2 The sinister stage rulers in Blaster Master can be tough, but there is a way to beat some of these monstrous mutants with a single Grenade!

WAIT

3 When the Grenade hits the target, pause the game. The Grenade will remain active! Resume the game after a few seconds and the enemy will go down in defeat!

RESUME

4 This trick will put an end to the creatures at the end of Stages 2, 4, 6 and 7.
